

CITY OF HERMITAGE

LANDSCAPE AND FACADE IMPROVEMENT LOAN PROGRAM

Zacklon Place—South Hermitage Road

The City of Hermitage developed the Hermitage Landscape and Facade Improvement Program in 2001 to assist Hermitage businesses and industries making landscaping, facade and site improvements. The program gives existing businesses a financing tool to make improvements such as signage, building facade improvements, landscaping, sidewalks and site lighting.

Eligible applicants can apply for loans between \$2,500 and \$20,000 with a maximum term of five (5) years. The interest rate will be fixed at the time of application and will be equal to 50% of the prime rate as published in the Wall Street Journal.

The City's Sidewalk Reimbursement Program is available to commercial businesses and property owners to help offset the cost of installing new pedestrian facilities throughout the City. The City will reimburse up to \$20 per lineal foot of new sidewalk along a public roadway.

Any Hermitage business interested in applying or learning more about the loan program or the sidewalk reimbursement program may contact the City Building at (724) 981-0800 or visit our website at www.hermitage.net
