Serendipity is an unplanned fortunate discovery. The Best Life Boutique in Hermitage Square came about in a serendipitous moment in the lives of owners Doug and Kristen "Krissy" Pedicini.

"If you would have told me five years ago that I would have my own clothing boutique, I would've probably laughed at you," says Krissy. "But truthfully, this shop was born out of a desire to serve the community. Our area has been lacking in a variety of shopping experiences for women."

"We saw a need for a quality clothing store, with unique pieces, a range of sizes (we

carry sizes S-3X), and styles that were budget friendly. It was our goal to create a space for women to walk into and feel peaceful and comfortable."

Krissy earned a Psy. D. in Clinical Psychology from Regent University in Virginia Beach, VA., an undergraduate degree in Psychology from Gannon University, and is a 1994 graduate of Kennedy Christian High School. Doug has more than a decade of sales experience combined with wood working and design skills; he built several boutique cabinets from wood originally in their Hermitage home.

As Krissy was struggling with a business name, a prayerful, serendipitous instant brought her "Best Life Boutique."

Children Lydia, 14, and Max, 12, help out in the 3,000 sq. ft. boutique. Budding entrepreneur Lydia started a cell phone case business during the Covid-19 lockdown. Her colorful, branded "Angelic Cases" are available in the boutique and Etsy.

"This business is about so much more than selling clothes," Krissy adds. "We have cried with customers, prayed with them, helped them find outfits for special occasions and tough occasions. Our long-term ties to this community have us invested in not just having a prosperous business but also to love on the people."

# Buhl Farm Park – Summer 2021

[www.buhlfarmpark.com](http://www.buhlfarmpark.com) • 724-981-5522

## Save The Date: Buhl Is Back!

**Monday, September 6th - Buhl Park is proud to announce the return of the one-of-a-kind Buhl Day celebration.** It first began, 106 years ago, in 1915 when Buhl Park was formally opened. Local people took the opportunity to honor industrialist Frank H. Buhl and his wife, Julia. Today, local people continue to pay tribute to this historic philanthropist for a park that continues to serve the community. Like that first Buhl Day, the intent of the occasion remains intact and is based on a simple formula that combines food, fun, and fanfare to attract people to the park for the summer's last hurrah. Stayed tuned to Buhl Park's website and facebook page for more event details as they become available.

## Buhl Park Golf Course

The Buhl Park Golf Course is the ONLY FREE Golf Course in the United States.

No green fees, no cart fees. All golfers are required to sign in before playing and donations are encouraged! **Golf Course & Driving Range are open daily from dawn to dusk.**

**For more information on the Golf Course, visit [buhlpark.org/golf](http://buhlpark.org/golf)**

## Sweet Summertime

We always strive to maintain our grounds and facilities as best as we can, and we are excited to have our tennis courts completely resurfaced! Our tennis courts have been around since the inception of the park in 1915 and are a fundamental element

to this park's existence. We are thrilled to start opening up more of our facilities to the community, especially our pool and boat rentals. Our pool has been a staple in the community for many, many years and offers a diving board, climbing wall, and concession stand. The addition of Snappy's Boat Rentals to our pool area has heightened our aquatics experience and offers a mix of fun, leisure, and healthy opportunities for everyone to enjoy while visiting Buhl Park.

**We encourage you to get outside and enjoy the Summer at the Park.**

## Summer Traffic Safety: An Overview

Many are out enjoying the warm temperatures, fresh air, sunny skies and open roads. We rely on our roadways to get around from one place to another and transportation of goods but also for recreation or vacation as well. This summer please remember these common sense basics:

1. Follow the rules of the road & drive defensively but courteously

2. Share the road with bicycles
3. Watch for children playing
4. Look twice for motorcycles
5. Wear your seatbelt
6. Watch for slow moving farm vehicles and Amish buggies
7. Watch for pedestrians. Wear bright, highly visible clothing as a pedestrian during the day and bright, reflective apparel at night
8. Slow down in construction zones and watch for highway workers
9. Move over for emergency vehicles
10. Don't drive drunk, drugged, drowsy or distracted (texting, playing loud music, eating, reaching, grooming, etc.)
11. Drive the speed limit or slower if road, traffic or weather conditions necessitate or recommend a reduced speed
12. Don't leave dogs in hot cars for any amount of time

Let's all enjoy the road this summer but enjoy it safely and legally.

## Active Attack Mitigation

Tragically, over the past few months the news has been filled with many reports of mass shootings in public and private places. These heinous attacks often happen without warning, and many people are wounded or killed within minutes and usually before law enforcement arrives. Know you have survival options based on your situation to run, hide or fight. If the situation permits, run away. If you cannot run, hide and barricade. If you

cannot run or hide, defend yourself and fight to survive. Call Chief Jewell at 724-983-6780, Extension 1600, if your business or group wants an hour-long, informative presentation on Run, Hide, Fight.

## Crime Prevention

Fraudsters are out there very underhandedly trying to steal your money or credit through scam calls, emails, texts, mail and in person. A popular fraud at the moment is stealing your identity so thieves receive unemployment compensation under your name. Do not fall victim to offers that sound too good to be true. Do not let greed cloud your better judgement. Do not let fear persuade you to give in. Do not let the yearning for romance cause you to fall in love with an online prince or princess whose only desire is to steal your money. Do not let high pressure sales force you to make a rash decision before further research on an offer. Do not give out your personal information (Social Security Number, bank account information, credit card information, etc.) to someone you do not know and trust. Do not send money, wire transactions, or provide credit card numbers unless you are absolutely sure your transaction is legitimate. If asked to acquire and pay via a certain gift card number, the transaction is very likely a fraud. Fraudsters will pose as government employees, medical staff, law enforcement or court representatives, utility workers, etc. and will sound legitimate and/or look convincing at first glance. These criminals are smooth talkers, use the right lingo and are really convincing. Always consult with a family member, banker, trusted friend or police if you

## Hello Everyone. Welcome summer!

We are once again open to the public and continue to also accept payments through the U.S. mail as well as in our convenient drop box next to the City Building.

As a reminder, you may have noticed on your bills, that it reads **separate checks for all bills**. To further explain, you may still combine "like" bills to one check.

For example, **if you have more than one Per Capita bill, they may be combined to one check. The same holds true for multiple County/City bills as well as multiple School bills. You can no longer combine any of the three to one check. They all have separate accounts and need to be paid with separate checks.**

The note on the bills seemed a bit confusing at first, but we want to thank you for your understanding and cooperation.

Per Capita bills will be mailed on August 1st and are due at the discount amount from August 1st through September 30th. October

1st through November 30th is the face period and December 1st through December 31st, they are due at penalty. As of January 1st, 2022, all unpaid Per Capita bills will be turned over to Sharp Collections.

The school board has decided to approve a resolution for 2021 School Taxes ONLY, decreasing the penalty to 0% on all School taxes paid through December 31st, 2021. The discount period remains the same -August 1st through September 30th.

This will also apply to the payment plan for your School Taxes, but keep in mind that you must make the first payment by August 31st to be eligible for this plan.

**Please bring in both sections of your bills if you are needing a receipt. If you mail your bill, kindly include both parts along with your self addressed envelope, and we will gladly return your stamped half as your official receipt.** Please notify us if you have not received your bills.

There is a partial exoneration from Per

Capita if your annual income falls under \$10,000.00 from all sources, but **You must come in to the office with proof of all income each year to receive any exoneration.**

Anyone moving to or from Hermitage should notify our office to either add you to our Per Capita and census or remove you as needed. All residents over the age of 18 are required to pay the Per Capita Tax.

Landlords, please remember to update your rental properties with our office.

As always, our office is open to your questions and comments either in person, or by phone at 724-347-4472. We will be happy to assist you whenever possible.

think an offer could be a scam. In addition, do your own research (*Better Business Bureau, FBI website, PA Attorney General website, etc.*) before trusting any online person or company or individual at your door. Many online frauds are perpetrated by criminals outside of the United States making investigations difficult, recovery of stolen funds rare, and arrests nearly impossible. If you become the victim of fraud, report it to Hermitage police. We may not be able to recover your stolen money or make an arrest, but we may be able to help protect others from also being targeted by the same criminals. Some shysters hack databases to steal your personal information. You only learn of this fraud when you get the bill for items you didn't buy, services you didn't use, utilities you didn't receive and debt you didn't make. Report hacked accounts to Hermitage police and other applicable law enforcement (*IRS, PA Dept. of Labor, etc.*). Door to door sales people must possess a valid City of Hermitage Transient Business License issued the Hermitage Police Department.
