Hermitage Bakery continues a tradition of more than 40 years

Contributed by Dick Davis

Naiela Mataria and her Hermitage Bakery crew carry on the establishment's traditional recipes from the original owners going back more than 40 years.

"We use the same recipes," says Naiela. "A few ingredients or brand names have changed but only because some are no longer available."

"I bought this in 2018 as a family business for my two sons because they both love to cook and bake. They are in here every night round 10 to start the mixing process with various flours and doughs."

Best sellers are donuts (especially creme sticks), kalachi, and bear claws. The full-service bakery located at the

intersection of Highland Road and North Buhl Farm Drive also offers cakes, cheesecakes, cannoli, breads, buns, and rolls.

With advance notice, the crew can bake kalachi with nuts, extra nuts, apricot, poppyseed, or any ingredient a customer would like.

Naiela speaks highly of and appreciates her employees, many of whom have been with the bakery for many years.

The bakery annually shuts down for two weeks in late July/early August and two weeks after the Christmas holidays.

UPDATES AT THE OUTDOOR POOL:

SEASON PASSES NOW FOR SALE -Hermitage

Residents This Summer, we are introducing Wellness Wednesdays at the Pool. We are teaming up with Roscoe Physiotherapy to bring water fitness and aerobics to the pool. From lap swim to various levels of swim lessons - our pool has what you need to stay active in the summer heat! Buhl Park has taken on a new initiative to help our community become more active and improve overall wellness. Here's a look at some of the new programs coming this summer to our outdoor pool:

- Sunday Swimmers
- Adaptive Swim w/ Marlee Juranovich
- Swim Lessons Levels 1 - 4
- Roscoe Water Fitness "AquaBody"

Stay tuned for more information and visit buhlpark.org for the most up to date information on our outdoor pool and programming.

SUMMER KICKOFF WEEKEND:

NEW for this year, our Kick-Off Weekend will feature the season opening of our Outdoor Pool, Snappy's Floatin' Boat Rentals and the Summer Concert Series. The weekend will also showcase our new Wetlands with a guided walk along with a live bird show by Tamarack Wildlife Center.

Our annual State Of The Park meeting will be held on Saturday evening followed with a tribute concert by Ledsmith beginning at 6PM.

The Kick-Off will also debut our first annual Buhl Park Wiffle Ball Classic. Who doesn't love a reason to get together with friends to play a game we all know and loved as kids? Field sponsorships are available to anyone who is interested. A banner will be placed along the fence and that field will be named for you or your business/organization throughout the weekend. Contact markee@buhlpark.org to be a field sponsor for this event.

More information on the Kick-Off Weekend and Wiffle Ball Classic registration can be found on our website at buhlpark.org/events

We have partnered with Buhl Park to offer Camp Courage, a week-long camp that is free to attend for children who are dealing with grief and loss. This camp is scheduled to take place August 1st through 5th from 9 a.m. to 3 p.m. at Buhl Park.

Front Line Heroes

Help us recognize and honor local FRONT LINE HEROES who are going above and beyond in their service and care during the COVID-19 Pandemic! A front line hero can be anyone who has cared for our community during the COVID-19 Pandemic, including those who work in our

health care facilities, emergency services, restaurants, grocery stores, daycares, teachers, non-profits, etc. We understand that there are many people in our community who have worked hard to care for each other during this time! Nominate them to be recognized as a Front Line Hero! We are accepting nominations for the award on a rolling basis through June 30, 2022. Submit your nomination online anytime! Go to: <https://www.surveymonkey.com/r/brhffrontlinehero>.

As we collect nominations, we will draw a winner every week to be awarded a \$25 gift certificate to a

Storywalks© to Appear on Local Trails this Spring. Enjoy a story and a walk together.

Storywalk© is a concept created by Anne Ferguson and developed with the help of Rachel Senechal and the Kellogg-Hubbard Library. The walk in its most simple terms is a de-constructed children's book displayed in a weather-safe way along a popular walking trail or path. These walks provide many benefits to the community and its residents. Some of these benefits include greater family involvement in early literacy skills, encouragement of learning in a natural setting, increased opportunities for physical activity, and expanded utilization usage of public spaces.

Over the last year the Community Library of the Shenango Valley and the City of Hermitage have been working closely together to bring two such walks to the Hermitage community. This spring we will be unveiling two permanent walks in Hermitage, one

at Whispering Pines Park and one at Rodney White Park. The walks have been funded through PNC Grow Up Great grants, Walmart Community grants, and generous donations from local residents given directly to the library or through the Community Foundation Week of Giving.

Hermitage Department of Parks and Recreation has taken on the task of assembling and installing the permanent posts, purchased by the library, along the trails. The library will be changing the stories' displays throughout the year in order to maximize the community exposure to quality children's books in all seasons. The books on display will be changed about once a month. Past titles have included Fletcher and the Falling Leaves, Bear's New Friend, Wild About Books, and we are hoping to feature new seasonal books throughout the spring, summer, and fall months.

Bulk Cleanup

The bulk cleanup days have been scheduled for the week of May 2, 2022 (on regular collection days) and the week of September 26, 2022 (on regular collection day).

Sanitary sewer collection system work continues

The Hermitage Municipal Authority and City of Hermitage have begun the second phase of the Woodlawn Sanitary Sewer Watershed study to locate and significantly reduce the infiltration and inflow of groundwater and rainwater into the sanitary sewer system. Some sources of this infiltration directly related to the sanitary sewer system could include leaking manholes and cracked main sewer lines. Other sources certainly include downspouts, foundation drains and sump pumps that are illegally connected to the sanitary sewer system. Such connections are in violation of Chapter 18, Section 148 of the City Code of Ordinances. Employees of RETTEW Consulting Engineers will be installing flow monitors in manholes in and around high flow areas and inspecting pipes by televising, manual dye testing and possibly using smoke testing to detect faulty City lines and manholes

and improper connections at homes. The Municipal Authority recently completed relining of sewer lines in the area north of Highland Road at a cost of \$300,000. This latest work, to begin soon, will focus on the Woodside Drive, Richmond Drive, and Todd Avenue area.

We expect the work to identify the sources of infiltration and inflow to take up to several months. Once the sources are identified, work to correct the issues will begin promptly. City employees may need access to homes and basements during this process. Employees of the City, as well as our privately employed consultants, will always have visible identification when working, and to the extent possible, the City will notify affected residents in advance.

Reimbursement Programs Available

The City has two reimbursement

programs available to homeowners related to removing groundwater and rainwater from the sanitary sewer system. One is the Lateral Replacement Program. If a lateral (the sewer line from your home to the City sewer line at the street) needs replaced due to leaking or poor condition, the City will reimburse the homeowner \$1750/foot of replaced line up to a maximum of \$1,000. Work must be inspected by a City Inspector prior to backfilling, and only a contractor licensed by the City to work on City sewer lines can complete the work.

The second program is the Foundation Drains Removal/Sump Pump Installation Reimbursement Program. This program will reimburse the homeowner who is required to remove foundation drains from the sanitary sewer system and install a sump pump, up to a maximum payment of \$1,500, upon inspection by the City and proof of payment.

Water Quality Corner

The City of Hermitage is committed to protecting and improving stream & river quality in our community and region.

With the arrival of good weather, many citizens are starting their spring cleaning. Make sure to properly dispose of hazardous household chemicals through local disposal programs instead of pouring them down the drain! These chemicals can harm local waterways and disrupt the aquatic ecosystem.

Every resident can help to preserve our environment and water resources.

Traffic Safety

As springtime goes "full bloom" here are a few traffic-related concerns to remember. Firstly, tires with ice grips or studs are prohibited by law between April 16 to October 31 (per PA Vehicle Code 4525c). Studs are great for gripping in snowy and icy conditions. However, studs are hard on roadway surfaces and can reduce tire traction on clear, dry roads.

Secondly, watch out for bicycles and motorcycles as the riding season starts up. Before pulling out of any driveway, street, or parking lot; always take a second look for the sometimes hard to see two-wheelers.

Thirdly, as the sun gets hotter so do the interiors of vehicles and quickly. Please don't leave your young child or pet in any hot vehicle for any length of time.

Fourthly, as the warm weather increases so do the number of people walking and running on roadways and kids playing in yards. Please slow down on City streets and roadways so all can have a safe and enjoyable springtime.

Prescription Drug Disposal Service

Hermitage, Clark, and Wheatland residents may bring their unwanted and outdated prescription drugs to the Hermitage Police Department and drop them in our courtesy drug disposal box in the lobby. Help reduce theft and diversion of drugs by promptly and properly disposing of old or no longer needed medications. No liquids, aerosols, or syringes/needles please.

Know the Law

Per PA Crimes Code Section 3131a, a person commits the offense of

'Unlawful Dissemination of Intimate Image' if, with intent to harass, annoy or alarm a current or former sexual or intimate partner, the person disseminates a visual depiction of the current or former sexual or intimate partner in a state of nudity or engaged in sexual conduct. This offense is a misdemeanor of the second degree when the person depicted is an adult and a misdemeanor of the first degree when the person depicted is a minor. Additional criminal charges may be warranted when the offense involves a minor.

Continued Fraud Advisement

Over the past year many Hermitage residents have reported unemployment claim-related fraud to the Hermitage Police Department (HPD). The fraud is ongoing. Per the PA Department of Labor and Industry (L&I), this type of identity theft is widespread across the United States. Many cases come to victims' knowledge when their respective employer receives a notice that a claim, which they did not apply for,

has been opened in their name. Per L&I, traditional unemployment fraud should be reported online at the UC Benefits Website (<https://benefits.uc.pa.gov/vosnet/Default.aspx>) and click the "Report Fraud Here" button. Also, per L&I, victims who receive checks or US Bank debit cards in the mail should mark them void and return them to L&I at PA Treasury, 651 Boas Street, Room 400, L&I Building, Harrisburg, PA 17120. Hermitage residents may report the fraud to HPD, but the lead investigative agency is L&I.

From the Fire Chief

John R. Flynn, City of Hermitage, Fire Marshal-Chief

Spring time is upon us and a lot of us will be starting our outside spring cleaning. Just a reminder, the City of Hermitage has a burning ordinance regulating what you are allowed to burn, hours of burning and the type of container you must burn within. The ordinance was set-up for your safety and the safety of your neighbors. Here are a few highlights of the ordinance:

- Burning hours are Monday thru Saturday 6:00 a.m. to 12:00 p.m.
- No burning on Sunday or Holidays.
- You can only burn paper, cloth and wood, Class A materials.
- You are NOT allowed to burn leaves, trash, or anything that will create a noxious odor.
- Burning is prohibited within 15' of any structure or property line.
- Someone must be attending to the fire at all times.
- Recreational fires for outdoor cooking or bonfires are permitted, but cannot be bigger than 5' in length, width and height.
- No burning on windy days.
- Fines can be up to \$1000 per violation.

For a copy of the ordinance please contact the fire department or go to the city website.

How to Safely Ignite the Fire

An adult should always be present during open burning and children and pets should be kept a safe distance away. Use paper and kindling to start the fire and add progressively larger pieces of wood.

Safety Tips for Open Burning Season

Never use gasoline, kerosene or any other flammable liquid to start a fire because the risk of personal injury is high. Burn one small pile at a time and slowly add to it. This will help keep the fire from getting out of control. Select a location away from any utility lines, structures, dry grass and keep a 5' square area around the container free of combustible debris.

Fire Must Be Attended Until Extinguished

While the fire is burning, an adult must attend the fire until it is completely extinguished.

Have Fire Control Tools On Hand

Have fire extinguishment materials on hand including a water supply, shovels and rakes. The water supply could be a pressurized water fire extinguisher, a pump can or garden hose, and be sure to test it out before igniting the fire. You do not want to find out that the water is still shut-off at the house faucet or that the hose is cracked when you need it most.

Watch the Wind: Be Prepared to Extinguish All Open Burning

Be prepared to extinguish your fire if the winds pick up or weather changes. Use common sense and don't wait for the fire department to contact you that it has become unsafe to burn. Sudden wind change is how most open burning gets out of control.

Don't Delay a Call For Help

If for some reason, the fire should get out of control, call the fire department immediately by dialing 911. Use the utmost caution to prevent injury to yourself or family members or any damage by fire to your home. People conducting illegal burning, or who allow a fire to get out of control, may be held liable for costs of extinguishing the fire and/or fined.

From the Desk of the Treasurer

Bernie Harry, City Treasurer

Spring is here! Welcome new Hermitage residents! Our office is open to the public from 8:00a.m. to 4:00p.m., Monday through Friday except legal holidays.

Just a reminder that tax bills are mailed twice a year. The County/City portion of your real estate bill goes out on March 1st of each year. As you may have noticed, there is no change for 2022 in your County/City bill. The school bill along with the per capita bills are mailed on August 1st.

I'd like to explain the note on your bills stating that we need separate checks for each bill. Your County/City bill is one combined bill requiring only one check for the total amount due. Should you own more than one parcel, all County/City bills may be made payable with one check if you so choose. School bills require a separate check

as do your County/City, and Per Capita bills. Again, like bills may be combined but different bills cannot!

If you are new to the area, whether you rent or own your home, you must register with the city for per capita tax billing. Per Capita tax is a head tax levied on anyone over the age of 18, living in the City of Hermitage. It was \$30.00 in 2021.

Remember, when making payments, it is not necessary to come in, you can mail your payment or leave it in the secure drop box on the north side driveway.

Keep in mind that if you need a receipt, please include your entire bill along with a self-addressed stamped envelope, and we will return the stamped receipt to you.

Also, we are asking all rentals to register with our office even if a family member is living in that house.

This information is necessary to update our City census.

As always, if you have any questions, please feel free to call our office at 724-347-4472 and we will be happy to assist you.

Stay updated within the community

The re-designed website will be easier to use, allow for greater user interaction and will allow ease and accessibility for:
