D'Onofrio's going strong after more than 100 years

Story contributed by Dick Davis

August D'Onofrio would recognize the sausage and maybe a few other items from the grocery business he founded in 1916. The famous D'Onofrio sausage is still made from its original recipe, which current managers Joe D'Onofrio and his son, Al D'Onofrio, say includes very lean pork butts and a well-balanced mix of spices.

"The sausage is our best seller," says Joe, owner and president. "All our 'Certified Angus Beef®' meats go well, especially New York strip steaks. We are very proud of the 'Certified Angus Beef®' designation that we've had for almost 30 years."

The Certified Angus Beef® brand is a label from the Certified Angus Beef LLC, a nonprofit entity owned by the American Angus Association® and its farmer members. The label recognizes what it calls "exceptional Angus beef that is tasty, tender and juicy."

Joe, 57, and Al, 30, vice president and manager of the meat department, have groceries in their blood. (Well, not literally. That would be a medical anomaly.) As it was with August and his son Albert, (Joe's dad), the family store is their professional lives.

Joe graduated from The Kiski School and attended Kent State and Penn State universities, while Al graduated from Kennedy Christian High School and Edinboro University. Both were drawn back to the family business where they carry on the family tradition and spend a good part of each day chatting with loyal customers among the store aisles.

"It has been a very, very positive experience," reflects Joe. "We offer a large variety of items and try to make it family friendly. We have friendly relationships with multiple generations of families week after week and year after year."

Joe (left) and Al D'Onofrio and their impressive certified angus beef display.

D'Onofrio's under the direction of Albert moved from Farrell in 1964 to its current location of 1749 N. Hermitage Rd., Hermitage, and was remodeled and enlarged in 1989 to 40,000 sq. ft. It has about 100 full- and part-time employees.

"Those employees are the key to our success," Al says. "We have very good employees with many here 30 years of service or more. It is a pleasure to come to work every day."

August and Albert would recognize many of D'Onofrio's deli products such as sausage and peppers, rigatoni and sauce, chicken cooked several ways, and party trays with dried meats and a variety of cheeses produced much the same as in the old days. The bakery still cranks out dozens of fresh pastries, rolls and buns, and special occasion cakes every day.

The two D'Onofrio grocery men would need introduced to olive oils, pastas, and a variety of sauces from around the world. The new section of organic fruits, vegetables and herbs might raise their eyebrows.

One can imagine Joe and Al strolling the bountiful aisles with August and Albert, proudly explaining updates of 21st century items. To supplement their tour, August and Albert could be directed to more information via the D'Onofrio website and D'Onofrio pages on Facebook. [Imagine that conversation.](#)

Hermitage School District Summer Academy

Hermitage School District Summer Academy 2017 – The Hermitage School District Summer Academy provides our students with the opportunity to extend and enrich classroom learning experiences throughout the summer months. This is the **8th year** for the Summer Academy and we are **offering 55 courses** covering a variety of academic areas. Every summer our teaching staff plan and prepare new and exciting courses allowing students the opportunity to learn and discover together in our community as well as on a variety of field trips. This year's course highlights include computer animation,

financial literacy, book clubs, science exploration, ceramics, and field trips to Falling Water, Akron Zoo, Niagara Falls, Washington D.C., Gettysburg, the Benedum Theater, and many more! Additionally, many grade levels offer summer courses that provide a "sneak peek" into the upcoming grade level, allowing students an opportunity to preview classroom curriculum and expectations for the upcoming school year.

This year we are bringing Camp Invention back to the Hermitage School District! In partnership with the National Inventors Hall of Fame, Hermitage School District is pleased to offer the nationally-acclaimed Camp Invention program to children **entering grades 1st-6th**. It's an exciting, weeklong summer adventure with lessons that explore connections between science, technology, engineering and innovation. Children will work together to seek solutions to real-world problems and sharpen critical 21st century learning skills while rotating through several fascinating modules.

Course brochures were sent home to all Hermitage School District students with their 3rd Marking Period report cards on March 31, 2017. Course information and online enrollment is available on our district website, www.hermitage.k12.pa.us. Be sure to register soon as courses will fill up quickly. We hope your child will be able to take advantage of this wonderful and exciting learning opportunity!

Hickory High School Silver Cords Program

Focuses on Students' Community Service Experience

The Hickory High School administration and faculty have developed a unique volunteer program, Silver Cords, to instill students with the importance of community service and to encourage students to be accountable for investing in the community and their own education.

Silver Cords Program Goals:

- Enhance self-confidence
- Increase citizenship
- Give students the opportunity to work with people in their community
- Recognize students for their commitment to the community

The students may start earning volunteer hours beginning the summer prior to their freshman year and must acquire at least 150 volunteer hours at a minimum of four (4) eligible community organizations / locations throughout their high school career. The students are

Volunteers performing grounds maintenance at LindenPointe

responsible to ensure that the organization in which they are volunteering is on the approved provider list.

There are in excess of 100 approved organizations / locations where the students may volunteer. Approved agencies are required

to notify the HHS Silver Cords committee of changes within their agency regarding their designated program coordinator and their contacts authorized to sign off on the student volunteer's hours.

The students receive invaluable and rewarding volunteer experiences and have opportunities to learn about community service organizations and events. The approved organizations realize the value of the volunteer service and provide positive community experiences for the student volunteers.

The City of Hermitage has utilized the HHS Silver Cords Program volunteers for special events such as the Hermitage Arts Festival, the Hermitage Holiday Light Parade, the Hermitage Spikeball Tournament and the Hermitage Farmers' Market. Students have also volunteered at various city facilities including the Hermitage Athletic Complex, the eCenter@ LindenPointe and Rodney White Olympic Park. Neil Hosick, Facilities Coordinator and a Silver Cords program contact stated: "This is an amazing program introducing students to volunteerism and providing support for many city sponsored events and at various city facilities. I've thoroughly enjoyed working with these young adults and witnessing their talents."

Hermitage Holiday Light Festival

Mark your calendars for this year's Hermitage Holiday Light Festival November 17th & 18th, 2017! The finale of this event will be the 20th Annual Light Up Night Parade which steps off at 6 pm Saturday evening. Everyone in the community is invited to take part in this weekend of celebration and the committee is actively looking for all vendors that would like to participate. Special areas will be set up and vendors are needed for children's activities, food, crafts and any other local businesses. **Please email hermitagelightup@gmail.com to be involved.**

The committee has taken the traditional Light Up Night Parade and is now brightening up the entire weekend, beginning Friday evening with a 5k event and restaurant and bar specials throughout the night in various locations in the Hermitage

community. Saturday is packed with activities all day for adults and children, with events occurring outside and inside the Shenango Valley Mall. Tents in the mall parking lot will be set up and filled with locals displaying and selling the great tastes of the valley. Also planned for Saturday is Ice Carving in the afternoon for all to watch. Inside the mall, there will be various activities for children which will include vendors, craft tables and bounce houses set up in various areas. After a full day of activities, the day will finish with the amazing Light Up Night Parade where all the floats will take the traditional route through Hermitage to kick off the holiday season.

2017 Capital Paving Project – The City of Hermitage plans to pave Victoria Drive, Theresa Avenue and Patricia Avenue this May. The work scheduled to be included in the Capital Paving Project consists of removal of existing pavement, repairs to roadway base where necessary, and repaving of the streets.

Shields Asphalt Paving from Valencia, PA has been awarded the project. This project is scheduled to begin in early May and to be completed in June.

2017 Neighborhood Investment Program – The City of Hermitage will continue work on Phase 4 of Block 5 Neighbor Investment Program in early May and will be completed by late summer. Phase 4 includes Cohasset Drive from Parkview Blvd to Highland Road.

The work scheduled to be included consists of storm water improvements, removal of existing pavement, repairs to roadway base where necessary, and the repaving of the street.

Protech Asphalt Maintenance, Inc. from New Castle, PA has been awarded the project and is expected to begin work in May.

Silver Ridge Court – In July the City of Hermitage plans to pave Silver Ridge Ct and be completed in August. Work includes milling of pavement, base repair where necessary, adjustments to driveways and paving roadway.

Clarksville Road – In June/ July the City of Hermitage, with assistance from a grant through the Mercer County MPO and PennDOT, plans to pave Clarksville Road. The project will be completed in August.

Work includes milling of pavement, base repair where necessary, adjustments to driveways, paving roadway and minor stormwater pipe work.

Adjustments will be made where necessary to assure that every driveway along the newly paved streets will transition properly to the new pavement.

During construction activities roadways will be open under traffic control measures. We will continue to provide updates as we get closer to actual construction. Information regarding this project can be found on the City website at www.hermitage.net.

Should you have any questions please contact Donald Kizak, City of Hermitage Engineering Manager at dkizak@hermitage.net or 724-981-0800.

“New” Truck in Service

K-9 Fund

I would like to take this opportunity to express my deepest appreciation to the residents and businesses of the City of Hermitage for their generous donations made to the Hermitage Police Department K-9 fund over the past three months. Donations from local and area

individuals, businesses, groups, charity foundations, service clubs and other civic and volunteer organizations have been wonderful. There are just too many people and organizations to thank by name plus some desire to be anonymous. These donations coupled with proceeds from a very successful benefit dinner held on April 1 have allowed us to meet and exceed our fund raising goal. Additionally, we have begun the process of purchasing a police dog (not actually our specific dog), reserving a school seat in October and ordering related equipment. The Community Foundation of Western PA and Eastern Ohio and the Hermitage Police Department will continue to accept donations for use towards next year's K-9 expenses such as dog food, veterinary care, etc.

Traffic Safety Tip

As motorcycle season quickly approaches please remember to watch out for these popular two and three-wheeled motorists. Car and truck motorists should specifically double check for motorcycles before pulling out. The slim body line of motorcycles makes them more difficult to see and since there are practically no motorcycles on the road during the bad weather months, motorists are not accustomed to seeing them out and about. Motorcycle operators can make themselves more visible by always running with their head lamp(s) on, wearing highly visible and protective clothing and driving defensively at all times. If you are an experienced operator, riding two abreast but slightly staggered may make motorcycles more visible to other motorists. Motorcyclists may want to ride closer to the center of their lane to allow more reaction distance should a vehicle pull out in front of them. Also remember protective eye gear is required for all operators and passengers and approved helmets are required for certain operators and passengers. Only operators who are 21 years of age or older with at least two years of licensed motorcycle experience or completion of an approved motorcycle

rider safety course are exempt from wearing helmets. Passengers of a person exempt from wearing a helmet must also be at least 21 years of age to ride without protective headgear.

Motorists should also watch out for bicyclists and share the road with them. Remember, bicycle riders must follow the same rules of the road as automobiles such as stopping at stop signs and riding on the right side of the road to name a few. Bicyclists should also wear highly visible clothing and persons under 12 years of age must wear an approved helmet.

Crime Prevention Tip

The grass is already starting to grow and soon we will open our garages and utility sheds to prepare our tools for another working season. Keep in mind to always lock your sheds and garages after the workday to reduce the chance of theft of your power equipment. Record the make, model and serial number of all pieces of equipment. I also suggest you add a personal identification number or mark on your equipment that only you would know in case it is stolen and the serial number plate or sticker is removed. Please report all thefts to the Hermitage Police Department so we know what criminal activity is afoot and so we can try to recover your property.

Be A Responsible Dog Owner

Dog owners are reminded to clean up after your dog when it is being walked. **Chapter 2, Section 111 – Nuisance - of the Hermitage Code of Ordinances** requires the owner or person in control of a dog to remove all feces deposited on public or private property, not that of the owner, and dispose of it in a sanitary manner. Violators can have charges filed against them at the office of the District Magistrate. Hermitage parks have pet stations with bags for this purpose.

Burning Ordinance

It is that time of the year where we all want to clean our yards up for the up-and-coming spring and summer months. As a friendly reminder, the City of Hermitage has a burning ordinance with specific guidelines for burning. You are allowed to burn wood and paper only between the hours of 6 am and noon, Monday through

Saturday. You are also allowed to have a small recreational or cooking fire. You are not allowed to burn leaves, trash, construction materials or on Sunday and Holidays. Burning must be done in a burn barrel and should never be unattended. Have a hose or enough buckets of water to be able to put the fire out, in case the fire starts to get out of control. Give yourself plenty

of room from any structure or dry grass. If you are burning and the odors are offensive or are creating a lot of smoke, we will have to ask you to put it out. For a copy of the burning ordinance; stop by the city building or fire station and we will be glad to give you a copy.

Move Over Law

You may or may not be aware of a motor vehicle law to protect emergency responders on the roadways. When encountering an emergency scene or an emergency vehicle that is stopped with their warning lights on, there is a law called the "Move Over Law". When approaching or passing an emergency response area, a person, unless otherwise directed by an emergency service responder, shall: pass in a lane not adjacent to that of the emergency response area, if possible; or if passing in a nonadjacent lane is impossible, illegal or unsafe, pass the emergency response area at a careful and prudent reduced speed reasonable for safely passing the emergency response area. Please be looking for the emergency responders on the roadway, not what's going on at the emergency scene.

County/City Tax Bills

All County/City tax bills were sent on March 1st, 2017. Remember that it is your responsibility to inform the tax office if you did not receive your bill.

Also, keep in mind that those of you with taxes paid through escrow accounts, must forward your bills to your Mortgage Company. As a homeowner area, we are required to send tax bills directly to the homeowners and not the lenders.

The lenders must have your bill before they can forward payment to our office, or they are required to pay a \$10.00 duplicate bill fee to process your payment. The discount amounts on County/City taxes are honored in our office until Monday, May 1st due to April 30th falling on the weekend.

The next tax bills go out on August 1st. At that time you should receive both the School Tax bill and your Per Capita bill. If your annual income falls under \$10,000.00 from all sources, with proof, there is an exoneration from part of the Per Capita.

Once again we would like to let you know that our office is open to your questions and comments either in person or by phone @ 724-347-4472. We will be happy to assist you.

Our summer hours, 7:30 am to 4:30 pm will be in effect May 1st until Sept. 5th.

From the Water Pollution Control Department

Sewer bill payments at counter will be discontinued.

Effective July 1, 2017, the City of Hermitage will no longer accept payments for sewer bills at the Finance Department counter. We make this change, in part, due to changes in personnel and staffing and to improve the overall efficiency of our operations and accounting controls.

Payment Options For The Sewer Bill

- Online payment – Go to www.hermitage.net and choose the "Pay Your Sewer Bill Online" icon. ****IMPORTANT**** Site only works in Mozilla Firefox, Google Chrome and/or Safari – The site does NOT work in Internet Explorer. Please be sure to turn off pop-up blockers to get a receipt for payment.

- Payments can be dropped off after hours in the drop-off box located on the north side of the parking lot at the Municipal Building. ***CHECKS ONLY***
****CASH PAYMENTS WILL NOT BE ACCEPTED****
- Automatic payments of current month charges can be deducted from your checking account. Sign-up forms are available at the Municipal Building and www.hermitage.net. Payments are

deducted on the 5th of the month or the next business day after the 5th in the case of a weekend or holiday. **Past due balances will not be auto deducted and will continue to accrue penalty and interest.**

- Checks may be mailed to the lock box in the envelope provided with your bill. You **MUST** include the remit stub from your bill in order for your payment to be processed correctly. Payments without remit stubs may be delayed and late fees will accrue.
- Online bill pay through your bank. Please remember account or customer number has to be included with each payment entered. If not, payment may be delayed and late fees will accrue. **It can take up to seven days for payment to process so please allow for this additional time.**

No phone payments are accepted.

Any questions regarding these payment options, please contact Kathy Patrizi 724-981-0800, ext 1360 or email kpatrizi@hermitage.net.
